

THE REMINDER OF THE VISITOR OF TORI STUD

Please remember and behave according to following:

1. I do not run or shout near the horses
2. Close to the horses I will not deliberately do anything that might scare or spook the horse
3. I never go directly behind a horse
4. While on top of a horse I do not shout or act in any way that may frighten the horse
5. I always wear a safety helmet while riding. I can give up the helmet only on my own responsibility being aware of the dangers that it may cause
6. I go on a horse and come down only from the left side of the horse. Before coming down from a horse I take both of my feet out of the stirrups
7. When I come for a ride I will wear closed boots or shoes instead of slippers or sandals if possible
8. I will never go to the pasture where the horses are loose on my own
9. I can offer the horses carrots, apples or bread but I will not offer them hay, silo or oats found in the stable
10. I will listen to the instructions and prohibitions of the employees of Tori Stud concerning my safety

Thank you for understanding and cooperation!
